Please call your credit union to be set up for home banking.

5. The member will then have to answer a series of three authentication questions and select a "confidence word". The member will have the choice of 8 different question options by hitting the drop down arrow next to each question. After selecting the desired question the member needs to input their personal answer. **Confidence Word:** You may get questioned on what this is. It's a word or phrase that will show on their log-in screen to let the member know that they have came to the authentic site for Home Banking. **Remember me on this computer:** This should be selected if on the primary computer the member will be accessing HB with. If they log-in from another computer, the system will make them answer one of their Authentication Questions to verify who they are. **Save:** Select "save" when complete.

Enrollment

You must now select your authentication questions and a confidence word. Each of the three drop-down menus contains eight questions and you must select and answer one from each menu. Then you must select a confidence word. These extra validations will ensure you've connected to the authorized home banking site.
