2. First time users will need to select “Click here to enroll now”. They will need to enter their member number, email address, and birth date. They will then need to click the box to acknowledge the User Agreement. Then click the box labeled “Sign Up”.

NOTE: The member does not need to have an email address on file with the credit union in order to Auto Enroll. But if he does and the information entered does not match, he will get the following message. He will then need to contact the CU and his correct email address will need to be input into his Member Properties.

5. The member will then have to answer a series of three authentication questions and select a "confidence word". The member will have the choice of 8 different question options by hitting the drop down arrow next to each question. After selecting the desired question the member needs to input their personal answer. **Confidence Word:** You may get questioned on what this is. It's a word or phrase that will show on their log-in screen to let the member know that they have come to the authentic site for Home Banking. **Remember me on this computer:** This should be selected if on the primary computer the member will be accessing HB with. If they log-in from another computer, the system will make them answer one of their Authentication Questions to verify who they are. **Save:** Select "save" when complete.
