

From the P&G Mehoopany FCU Web Site choose the **LOGIN TO Online BANKING.**

If you have previously enrolled to use the P&G Mehoopany Online Banking Site you can continue to use your existing Login ID and your initial Password is the first 3 letters of your last name and the last 4 digits of your Social Security number.

The image shows a section of the website titled "Returning Members" in a dark blue header. Below the header, there is a paragraph of text: "Beginning on July 1, 2019 we have updated our Online Banking site. If you have already enrolled to use this new site then simply enter your Login ID below. Otherwise you are required to complete the brief enrollment process by clicking on the 'Click HERE to enroll now' link." Below the text is a form with a label "Login ID:" followed by a text input field. Below the input field is a blue button labeled "Login".

Once you enter your Login ID in the Account field you will be asked to set 3 new challenge questions and a security phrase . The challenge questions are used to verify your identity for future logins and the security phrase is a word that will be displayed back to you each time you login to verify that you are indeed logging into the P&G Mehoopany Employees FCU Online Banking Site.

Enrollment

You must now select your authentication questions and a security phrase. Each of the three drop-down menus contains eight questions and you must select and answer one from each menu. Then you must select a security phrase. These extra validations will ensure you've connected to the authorized home banking site."

You have until 07/01/2019 to enroll.

SECURITY PHRASE

Remember me on this computer.

Once you have answered the challenge questions and entered a security phrase click the Save button at the bottom of the screen.

You may also mark the box "Remember me on this computer". By doing this each time you log in to Online Banking you will NOT have to answer the challenge questions when using the same PC.

Once you click the Save button above the following screen will appear. You can now log in by clicking on the "[Click Here to Login](#)" Link at the bottom of the screen.

Request Successful. Thank you.

Your security phrase has been set. Please store in a safe place.
