**Confidence Word:** You may question what this is. It's a word or phrase that will show on your log-in screen to let the you know that you have come to the authentic site for Home Banking. **Remember me on this computer:** This should be selected if you are on the primary computer you will be accessing HB with. If you log-in from another computer, the system will make you answer one of their Authentication Questions to verify who you are. **Save:** Select "save" when complete.

### Enrollment

You must now select your authentication questions and a confidence word. Each of the three drop-down menus contains eight questions and you must select and answer one from each menu. Then you must select a confidence word. These extra validations will ensure you've connected to the authorized home banking site.
