6. You will be prompted to answer a series of three authentication questions and enter a “confidence word”. This is a word or phrase that will show on your log-in screen to let you know that you have come to the authentic Town and Country Credit Union online banking site. Please note that answers to your authentication questions are case sensitive.

Enrollment

You must now select your authentication questions and confidence word. Each of the three drop-down menus contains eight questions and you must select and answer one from each menu. Then you must select a confidence word. These extra validations will ensure you have connected to the authorized online banking site.

9. Once you have chosen your new password, the following screen will be displayed for you to set up Forgot Password Questions. These are different from the MFA questions answered earlier. Answers to these questions are case sensitive.

The purpose of these questions is to provide a way for you to reset your password. In future when logging in and you are having trouble remembering your password, please click on the "Forgot Your Password?" link below the Login button. You will then have to correctly answer the Forgot Password Questions in order to be sent a new temporary password. **Please note** that after 5 unsuccessful attempts to enter your correct password, you will be locked out and will need to call the credit union during normal business hours.

Setup Forgot Password Questions

There is no record of forgot password questions.

Answer one or more of the following questions

What is your mother's maiden name?

What is your birth date (mm/dd/yy)?

What high school did you graduate from?

What is your favorite sports team?
