5. You will then have to answer a series of three authentication questions and select a “confidence word”. You will have the choice of 8 different question options by hitting the drop down arrow next to each question. After selecting the desired question you need to input your personal answer.

Confidence Word: It’s a word or phrase that will show on the log-in screen to let you know that you have come to the authentic site for Home Banking.

Remember me on this computer: This should only be selected if you are on the primary computer you will be accessing HB with. If you login from another computer, the system will make you answer one of your Authentication Questions to verify who you are.

Save: Select “save” when complete.

Here is what the enrollment authentication questions will look like.

Enrollment

You must now select your authentication questions and a confidence word. Each of the three drop-down menus contains eight questions and you must select and answer one from each menu. Then you must select a confidence word. These extra validations will ensure you’ve connected to the authorized home banking site.
